

# FIREFIGHTER SAYS

A FIRE SAFETY GAME

Fire safety can be a scary topic for young children. Play a familiar game with them to teach safe behaviors while having fun.

 **FIREFIGHTER SAYS** // “Fire alarm is ringing!”  
**CHILDREN** // Stand up and get ready to get out safe.

 **FIREFIGHTER SAYS** // “Does the door feel hot?”  
**CHILDREN** // Carefully tap the doorknob and feel under the door.

 **FIREFIGHTER SAYS** // “There’s smoke in the air!”  
**CHILDREN** // Crouch on the floor under the smoke.

 **FIREFIGHTER SAYS** // “My pants are on fire!”  
**CHILDREN** // Stop, drop, and roll and cover your face.

 **FIREFIGHTER SAYS** // “This route is blocked!”  
**CHILDREN** // Face the other exit.

 **FIREFIGHTER SAYS** // “We all got out safely!”  
**CHILDREN** // Sit down and wait.

 **FIREFIGHTER SAYS** // “Call for help!”  
**CHILDREN** // Yell “help, there’s a fire!”

 **FIREFIGHTER SAYS** // “It’s safe to go back in.”  
**CHILDREN** // Stand up. It’s safe to head back inside.
